To Kill a Mockingbird

FIRST JOB EVER:

Picking strawberries every summer, starting at age 9!

BEST JOB EVER:

Teaching colored pencil workshops

WHEN DID YOU FIRST WANT TO BE AN ARTIST?

I'm not sure I ever did want to be an artist, as much as it just seemed I was one, and I could choose to nurture those talents, or choose not to and pursue others.

GIVE US A TASTE OF YOUR LATEST PROJECT?

Creating the first online colored pencil directory—listing hundreds of colored pencil websites, blogs, books, videos, etc.

WHAT'S THE BEST ADVICE YOU RECEIVED?

I didn't actually receive this advice, but it is advice I could pass on, just the same. It's never about the "big break." It's about all the baby steps that move you forward in your career inch by inch by inch....
